**This report must be retained on board for a period of two years and must be available for consultation by Port State Control Officers at all times.**

This inspection report has been issued solely for the purpose of informing the master and other port State that an inspection by the port State, mentioned in the heading, has taken place.

This inspection report cannot be construed as a seaworthiness certificate in excess of the certificates the ship is required to carry.

Masters and companies are advised that detailed information on a detention may be subject to future publication.
